

RAVE EMERGENCY CONTACT PREFERENCES

We are a part of the Jewish Federation's RAVE emergency alert system. This system allows us to notify our families and staff immediately in the event of an emergency. This would include notifications of school closings, delays, lock downs, or other urgent situations.

In order for the system to work efficiently, we are asking you to provide your preferred email or phone number (that can receive texts), for notification in case an emergency situation arises.

Please list up to two contact methods per person (email and/or mobile phone):

Parent/Guardian 1

Parent/Guardian 2

Name: _____

Mobile/Email 1: _____

Mobile/Email 2: _____
